GOVERNOR TO TAKE

NO ACTION ON MAYOR

Unless Charges Are Submitted
in Writing.

Columbus, Ohio, March 31.—Following a conference between Governor Davis and State Prosecution Commissioner Don V. Parker, it was announced at the governor's office that no action will be taken on the controversy involving Mayor G. A. Loran unless adequate proof is submitted.

Mayor Davis is charged with failure to enforce liquor laws. Commissioner Parker admitted that he had seen the mayor, but denied emphatically that he had demanded his resignation, threatening further proceedings if he failed to do so.

Both Mayor Davis and leaders of the dry forces that were aligned against him two years ago assert that the charges against the mayor at this time were framed by the latter's political enemies.

How to Reach Physical Perfection. Buffalo, March 31.—"Be 100 per cent cannibal, eat raw meat; drink the blood of the slaughtered animal and gnaw the bones to the marrow to attain the highest degree of physical perfection." Such was the advice given delegates of the Erie County Women's club by Dr. Albert S. of the University of Buffalo, who spoke on food values at a meeting here.

Ladies of the Emanuel Lutheran church will have a bako sale, Saturday, April 1, at Miller Market.—Adv. 105-2-c

Student Riot on Campus.

Colorado Springs, Colo., March 31.—A clash between American Legion members and students of Colorado college was feared following a night of near rioting in and about the college campus. Reports of bomb explosions at the residence of President C. A. Dunaway, of the college, brought a squad of police to the scene early this morning, but investigation disclosed that the "bombs" were giant firecrackers and

railroad fuses that had been exploded on the lawn of the college president's home.
